

To Interested Parents and Teachers,

This little note is to let you know that **Nova Montessori School** and **Children's House**, will be **hosting** two parent/teacher offerings next month, facilitated by:

Steven Arnold, Senior Lecturer, Montessori Education, AUT University.

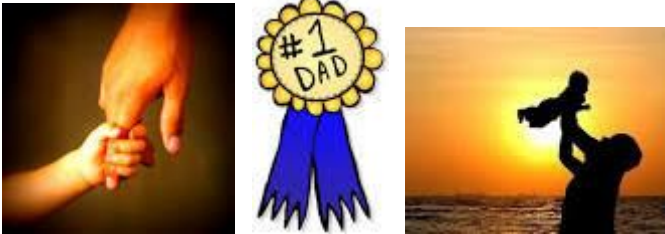

Back by popular demand!

The first sharing is for, "**Dads Only**".

It is entitled:

First Rate Dads, Not Second Class Mums

Friday the 12th of June, 2015

Time: 7 to 9:PM

Cost: \$10.00

If you have attended these workshops with Steven before, nothing will be the same. We live in a dynamic flow, always new. These workshops can be the catalyst for life change!!

The second sharing will be an intensive one day workshop entitled:

Peace

Dr Montessori's three Nobel peace prize nominations were unusual in that is not often seen as a peace process. Despite the post-war optimism and abundance of peace initiatives **Education was still considered to be the worthy nominee.**

*"Establishing lasting peace is the work of education; all politics can do is keep us out of war.
Maria Montessori."*

This will be a coming together as parents/educators to look at peace as the ground for parenting and for education.

Date: **Saturday 13th June, 2015**

Time: **10:AM to 4:PM**

Where: **Nova Montessori School**

Cost: **\$20.00**

Lunch: **Please bring you own lunch (tea and coffee available)**

Please RSVP where possible :-)

Please note that the scheduled parent sharing, " Morning of Exploration," which was to be held in the Children's House on Saturday13th June, has been postponed until next term. It is now replaced with our sharing on Peace, Education and Parenting.

More information to follow.

Thank you

Team Nova
