"I am a passionate educator with experience in Montessori education and state education. I am interested in the role of the teacher mentor, education for peace, nurturing teachers, lifelong education and the promotion of the child.

I have experience in teaching, as chair of board of trustees, being a principal, starting a school, international schools, school change and social change through education.

My wife and I, and our two sons live in Auckland."

Steven Arnold

**Senior Lecturer Montessori
Primary Education**

AUT University

The (sometimes) Rocky Road from Childhood to Adolescence

**This parent evening will be of interest to
ALL PARENTS and teachers.**

**If your child is not already in this stage of
their development (pre adolescent), they
soon will be and as parents and teachers we
need to be prepared and INFORMED.**

**We are very fortunate to have Steven lead us
through the evening**

**as we look at the pre adolescent stage of
development, characteristics of this age child
and also the adolescent brain.**

**We will also explore some real life questions
and scenarios that will be common
to all parents.**
