Professor Gang is Academic Dean for the Master of Education (M.Ed.) programme and author of several books, including his latest book, *Educating for Right Action and Love*.

He is part of the Core Faculty and founder of TIES. After a ten-year career in engineering and business, Gang returned to school to become a Montessori teacher. He has been a Montessori school head, consultant and educator of teachers. In 1978 he helped initiate the National Erdkinder Consortium – a group dedicated to founding Montessori secondary schools.

In the early 90's Gang was on the faculty of California Institute of Integral Studies as a professor-mentor to students engaged in doctoral studies in the School of Transformative Learning. This was the first collaborative on-line programme of its kind.

Today, Gang's major interest is exploring eco-cosmological patterns and their implications for the human journey.

Phil, is also Advisor to the Nova Montessori Trust and was married to Marsha Snow Morgan (1943-2017), co-founder of Nova Montessori.
